

Papirmølle

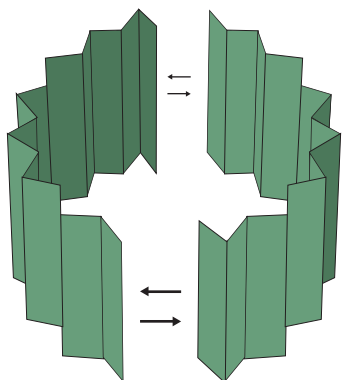

Foldevejledning

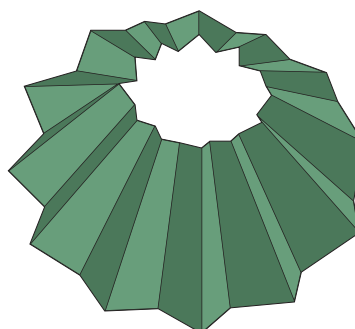

Step 1
Klip 2 aflange strimler

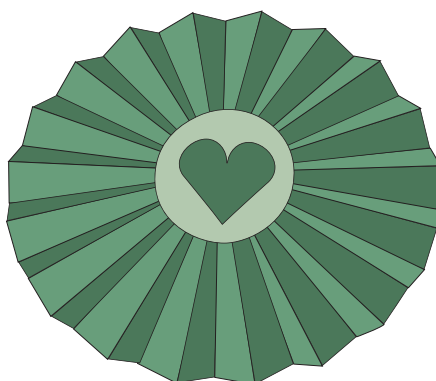

Step 2
Lav et fold ved hver centimeter

Step 3
Lim de to ender sammen

Step 4
Saml toppen og pres den forsigtigt ned, for at danne papirmøllen.

Step 5
Klip en cirkel ud i noget flot papir, og lim den fast, så den kan holde din papirmølle sammen.
